

# Our services in Care.

## Who we are.

Delivering care solutions throughout the public sector is becoming an increasing challenge for organisations. Growing case load pressure, diversity of requirements and scarcity of resource all mean that several key initiatives are left under resourced and under performing.

We combine the public sector project expertise of Consultancy+, with Reed's access to the strongest talent.

## What Consultancy+ can do for you.

Consultancy+ deliver project based solutions that add specialist skills and expertise to your teams, delivered through our dedicated programme management office.

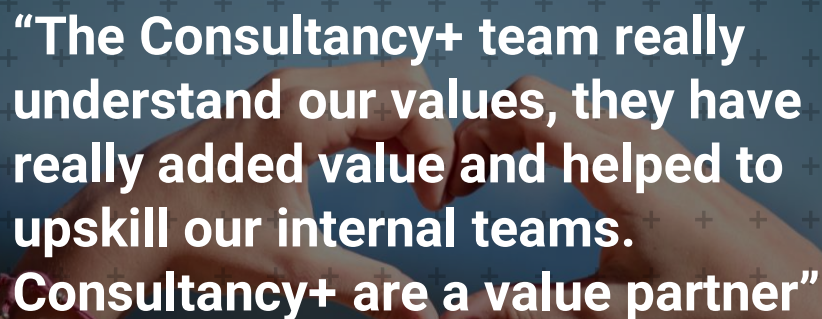

From rapid response managed teams with the very best qualified social workers, through to flexible outcome based assessments, our people are driven to deliver results.

# Our services.

Key features of all of our services include:

- + Performance based commercials. You only pay when we deliver
- + The best available expertise. Our Care Consultants are screened to the highest standards and all come with previous project testimonials to ensure you are getting the very best healthcare professionals
